

ASLAN BATALOV

PROFESSIONAL SUMMARY

With 15 years of extensive experience in interior fit-out along with HVAC and refrigeration systems. I specialise in delivering comprehensive solutions that transform spaces into functional and aesthetically pleasing environments. My expertise spans a wide range of projects, full refits for major UK retailers such as Marks & Spencer, Selfridges, Calvin Klein and many more.

An individual with positive, hands-on way of working with a can-do attitude and with genuine enthusiasm for business, together with team-working skills as well as the ability to work individually. I am flexible and fresh thinking, willing to learn and to adapt, I put 100% in what I do and get a great sense of satisfaction from working hard.
